Glossary

Mileage Inconsistency

If an odometer reading is less than a previous reading but CARFAX is uncertain whether the discrepancy is a rollback or a clerical error, then CARFAX calls it a "Mileage Inconsistency". In this case, you should verify the mileage with your dealer or a qualified mechanic.

Title Issued

A state issues a title to provide a vehicle owner with proof of ownership. Each title has a unique number. Each title or registration record on a CARFAX report does not necessarily indicate a change in ownership. In Canada, a registration and bill of sale are used as proof of ownership.
