WARNING Motor vehicles contain chemicals known to the State of California to cause cancer and birth defects or other reproductive harm. These chemicals are contained in many vehicle components and replacement parts, vehicle fluids, and paints and materials used to maintain vehicles, including, but not limited to, fuel, oil, batteries, brakes, and wheel balancing weights. When you service, clean or maintain your car you will be exposed to listed chemicals contained in used oil, waste and replacement fluids, grease, grease, touch-up paint, certain replacement parts, and particulates from component wear. When we service your car, we will return used components to your upon request. Used parts and components contain chemicals known to the State of California to cause cancer and birth defects or other reproductive harm. To minimize your exposure when servicing, maintaining or cleaning your vehicle: 1) work in a well ventilated area; 2) do not smoke, drink or eat while working; 3) wash your hands when finished or when taking a break; and 4) follow all manufacturer instructions pertaining to proper use and maintenance of motor vehicles and vehicle components.
